Warm Weather Training Packages

Kick start your 2011 athletics season with one of our exciting training camp packages.....

Monte Gordo

A trip to Monte Gordo will allow you to enjoy a host of training opportunities whilst enjoying an area which has transcended from a former sleepy fishing village to become one of the popular areas in the Algarve boasting a fine beach along the south coast. Your accommodation is ideally situated on the beach and close to the resorts shops and bars. With warm temperatures, plenty of sunshine and the excellent facilities available you are sure to have a memorable trip.

Alfamar

You will be based at Alfamar Beach & Sports Resort which will allow you to enjoy excellent facilities available, the complex has also hosted a number of international athletes from England, Ireland and Finland. Your accommodation is ideally situated within the complex which is set directly on the endless sandy beach of 'Praia da Falsia' surrounded by a wide pine tree landscape.

The local town of Albufeira will provide you with an excellent opportunity to experience what the Algarve has to offer with its narrow winding streets and excellent fish restaurants located on the harbour front in the 'Old Town' and the excellent nightlife on 'The Strip' which provides a mile long street of bars restaurants and discos.

Prices from £129 per person

Flights can also be provided
