#FarmFestivalFun

For U14's through to Colts

Welcome to the Inaugural “7's on the Farm”, based at the unique setting of Croft Farm Waterpark, where you can enjoy a fantastic camping or chalet experience which is the perfect way to ensure you get your rugby tour experience this year.

Having worked with Croft Farm for many years we are excited to combine a host of activities and events all at one amazing venue for your group to enjoy.

Located just outside Tewkesbury, Gloucestershire, where rugby is very much part of the local tradition, Croft Farm's unique onsite facilities include a log cabin clubhouse, a rugby training area, a water sports centre offering brilliant activities such as raft building and katanuung which together with evening entertainment means there will be plenty to keep the group entertained throughout the weekend.

In addition, you will have access to the onsite Rugby “Meadow” throughout your stay, meaning your group can train and play rugby onsite.
