

PROPOSED NETBALL TOUR

GENERAL INFORMATION

This will be a 9-day tour based near the Island's nightlife capital of St Lawrence Gap on the popular South Coast of this friendly Island where the beaches are powdery white, the water is warm and shallow, and the bars and rum shacks are plentiful. Barbados offers an irresistible mix of laid-back Bajan lifestyle, where the tropical sun is fanned by the trade winds together with a host of sandy beaches dotted along the coastline. It used to be known as "Little England" and although the island has enjoyed over 30 years of independence a warm welcome is always shown to its British visitors.

Netball is the highest ranked team sport in Barbados and is the sport of choice for females on the island. From as early as age 8 years old, netball is played at all ages ensuring that the sport remains vibrant and is a permanent fixture on the sporting calendar in Barbados. The sport has its own National Centre and for many years the Barbados team held a top world ranking. Visiting clubs and schools can be assured of a warm welcome and will benefit from favorable conditions and facilities.
