

PROPOSED ITINERARY **TO MALTA**

GENERAL INFORMATION

The quirk of the Maltese Islands is their Mediterranean charm and climate coupled with Anglo-Saxon traditions. Part of the British Empire for over 150 years, Malta is a unique place to tour combining friendly hosts and a warm climate with temperatures in the mid 70's in April-May (when most of our group's travel). Food and drink are very reasonably priced and there is a fantastic variety of nightlife on offer with plenty to do in the lively resort of St Julian's where we host our groups.

DAY 1

You will assemble at your chosen Airport for your flight to Luqa airport in Malta. Your flight time will be approximately 3 hours. After a short transfer you will check into your accommodation in St Julian's. You may wish to stretch your legs after a day of travelling and go for a walk around the local area and take in some of the fantastic sights.

St Julian's has a fantastic variety of nightlife on offer; an evening visit to **"The Gastro Pub"** Sports Bar is often popular for our touring groups, where you can watch some live sport whilst enjoying some food and a few beers!

DAY 2

Today will be a free day, where you may wish to arrange a boat trip to take you to the **Blue Lagoon**, where you can soak up the Maltese sun and start your tour in style! You can island hop around Gozo & Comino via boat and spend a day relaxing on the beaches and swimming in the sea!

Whilst in Gozo, you can visit Malta's only **Craft Beer Brewery, Lord Chambray**! They offer a fantastic Brewery Tour and Beer Tasting session for your team to enjoy!
