Tour Summary

Burleigh Travel have been trading for nearly 30 years and from the outset France and Lille in particular has always been one of our most popular destinations due to the ease of getting there.

You will take part in this established festival that is now in its 14th year. The French are very enthusiastic about their rugby and you're assured of a warm welcome.

This tour is a great experience had by all, taking the opportunity to play international opposition, whilst it is still accessible by coach and ferry, keeping it a lost cost option.

The Tournament

The Pierre Delorme Challenge was created in 1979 by the president of rugby department Michel Fabre to honour his friend and founder of the LORC rugby club, who died by accident in February 1979. Jean-Claude Pretkowski, LORC president in 2004, renewed the idea of organizing each year an international tournament gathering young players, coming from various countries to compete for the Delorme Trophy.
