"We had an amazing weekend away, glorious weather was a bonus!

As we were blessed with great weather, Croft Farm was a perfect place with everything needed on site for our players, we were able to socialise outside the rooms and also set up a scavenger hunt around the park & a few fun games out on the field. Reception was great for check in and check out, very friendly and helpful.

Breakfast was excellent both days. Saturday evenings BBQ was ideal and good value.

The water sports paddle boarding was well organised and great fun, all the children had a fantastic time on the water.

Both teams were well matched to our very mixed ability squad. Both matches were competitive and played in a great spirit and were so welcoming, both were fantastic hosts.

Everyone I spoke to at Burleigh Travel were very helpful and quick to respond to my many questions, made the process of sorting a tour quite straight forward. It was nice to meet George on Sunday, we really appreciated him taking the time to pop down and thank you too for the tour plaque, much appreciated by the team.

Many thanks Alison

" Hi Scott,

We are currently on route home from a fantastic weekend away at Croft Farm!

Croft Farm was a great place to stay. The water sports on site were excellent especially the stand-up paddle boarding. The instructors were great fun and the kids and adults loved it.

Today's Rugby was brilliant and all down to Cheltenham North who were an excellent host and we were joined by Cheltenham Saracens and the standard of rugby by all clubs was fantastic, so much so we have invited them to Fullers next season.

Thanks for organising a great tour and we will be recommending Burleigh Travel and will definitely be using their services again!

Thanks Dave "

“ I thought the weekend was fantastic and so did the kids.

Food was great!

The rugby was really good!

The water sports and Premiership rugby match combined were a great addition and would hope to do the same for next year. Preferably at the same location as both teachers and kids loved it “
