Tour Summary

Burleigh Travel have been trading for 30 years and many of our groups have visited Berlin, the Capital of Germany.

For some, Berlin is Europe's political powerhouse, for others, its a big party paradise. Epitome of Cold War division, Berlin is sophisticated yet down-to-earth, a city of colourful courtyards, home to artists, and sportsmen but also to politicians and businessmen.

Still a city of two sides, it embraces alternative lifestyles with a lively nightlife of bars and nightclubs which are sure to keep your group entertained.

Your Accommodation

You will be centrally based in hotel accommodation with access to many bars and attractions within a short walk

Rugby

We will make your fixture arrangements against a social host club.

Teams who recently travelled to Berlin include:

Southwark RFC

"Everything went really well with no hassle, had no issues whilst away and things went smoothly."

The accommodation was good and in an excellent central location.

The coach was always on time, good and very straightforward.

The fixture was very good match up, won roughly 50-30 and we stayed for around 2 hours after socialising and drinking with the host club. We plan to keep in touch with them as well."

Heriot Watt University Rugby

"Brilliant tour, all ran really smoothly and had the freedom to branch out and explore in smaller groups. Amazing to visit 2 destinations and this worked really well for them. The hosts were fantastic, we wanted to spend more time with them! They put on a great BBQ and provided them with beer and gifts after the game."

Bala RFC

"The fixture was really good, the opposition were really friendly. The standard was perfect and really had a great time with the team."

Day Excursion

A visit to the Olympic Stadium, is a popular excursion for many groups.

The stadium hosted the 2006 World Cup Final and 2009 World Athletics Championships and is now home to Hertha Berlin FC.

A stadium tour will give you the chance to visit the players dressing room, underground warm-up area, VIP areas and other behind the scene sections.

Day Excursion

The Brandenburg Gate is Berlin's most famous landmark and a must-see for all visitors. A symbol of German division during the Cold War, it is now a national symbol of peace and unity. Hopping on a beer bike is great way to view the cities landmarks, or alternatively visiting a local brewery for a beer tasting experience is very popular.

Night Excursion

Berlin's nightlife is like no other in Germany as unlike other cities it has no official closing time! The city is alive around the clock with multiple clubs and bars to explore.
