"Hi Owen Thank you to Burleigh Travel for taking such good care of us before and during our U13 Cricket Tour to the Cheltenham region.

It was nice knowing that the tour planning and organisation had been proficiently completed, which took the tedious hassle out of doing it all ourselves during a very busy end-of-year term.

Your flexibility, local knowledge and contacts were very well utilised and our accommodation was more than suitable and very well located for all our needs. The fact that you checked in on us personally during the tour was a nice touch and made us feel at home.

Kind regards, Charles Lamprecht

"Hi Alex Just a few words to say we had a good tour that was thoroughly enjoyed by all. The weather helped massively! All activities were great and the location at Croft Farm was perfect for our tour and all activities were accessible in our minibus.

The accommodation was good. The staff were very welcoming and laid back. They were understanding on mealtimes and were able to adjust timings and food options for the tour party. The rooms and the toilet facilities were good and beds were definitely above par. The facilities were good, including the games room and clubhouse. The field space was more than suitable, and the boys were able to run around a lot and play loads of sport, so they were happy!

As for the cricket matches; Stroud were brilliant hosts! Two close games and the teas were fantastic! Communication pre fixture was good (especially from Vicky). The clubhouse was great and I think they were chilled with us using the net facilities after they all packed away. The parents and players were great and engaging with our boys. Overall, great experience...apart from the losses!

Kind Regards James

"Thank you for your support in organising the tour at the weekend. It was a resounding success and the students had a great time. I am keen to organise another tour, for the same time next year, and would like to get the ball rolling! Can you draft me up a tour which is predominantly exactly the same, however near a coast so we can visit a beach during our free time?"

One piece of feedback I would like to offer however is that the club on Sunday (Gloucester Wingets) were excellent hosts and most accommodating"
