# Tour Summary

The quirk of the Maltese Islands is their Mediterranean charm and climate coupled with Anglo-Saxon traditions. Part of the British Empire for over 150 years, Malta is a unique place to tour combining friendly hosts and a warm climate with temperatures in the high 70's in April-June (when most of our group's travel).

Food and drink are very reasonably priced and there is a fantastic variety of nightlife on offer with plenty to do in the lively resort of Sliema & St Julian's where we host our groups.

# Your Accommodation

You will be well located in the popular Sliema/St Julians area which is well known for being the island's nightlife capital and a short walk from the beach.

# Multi-Sports

We will make all your fixture day arrangements against hospitable local Maltese sides.

We can arrange a host of fixtures for different sports in Malta, including:

- Rugby
- Football
- Hockey
- Cricket
- Netball
- Cheerleading

Meaning you can take multiple sports teams from your University away at the same time to the same destination!
