Tour Summary

Burleigh Travel have been trading for over 30 years and from the outset, Holland has always been one of our most popular destinations for University Sports Tours.

The Dutch are a very welcoming nation who are enthusiastic about their sport, as well as the social side.

This tour offers a great experience to be had by all, with so many different experiences right on your doorstep, whilst it is still accessible by coach and ferry, keeping it a lost cost option.

Getting There

You will travel by Ferry from Dover to Calais where the crossing takes just 90 minutes before travelling to your accommodation.

Travelling by Ferry provides a great opportunity for team bonding and creates a sense of comradery amongst the group.

Your Accommodation

Centrally Located Hostel Accommodation

Based in the heart of Amsterdam you will have numerous bars, restaurants and tourist attractions all within walking distance, not to mention the late-night bar, nightclub and regular happy hour within your accommodation!

We will make all your fixture day arrangements against hospitable local Dutch sides.

We can arrange a host of fixtures for different sports in Amsterdam, including:

- Rugby
- Football
- Hockey

Meaning you can take multiple sports teams from your University away at the same time to the same destination!

You may join in their

Key Booking Points

When considering who to book your tour with, always ask for evidence of the following key points

1. Financial Protection

Burleigh Travel has always had consumer protection in place to make good any money paid to us in the event of the financial collapse or failure of an airline, hotel or any other provider and this pledge has been honoured since the foundation of Burleigh Travel in 1998 and no client has suffered financial loss from such a failure. How this is done is clearly displayed on our website so it is very important that you can see a clear statement on any other operators website on how they are protecting your money.

2. How Long Has The Company Been Trading?

An important consideration when deciding on who to book with, is how established the company is. Burleigh Travel was established in 1998 and have therefore been arranging rugby tours for almost 30 years and as such we are one of the longest standing providers and market leaders for mini and junior rugby tours. Don't be fooled by new companies claiming they have many years experience in arranging tours; check when they were actually established, as every year there are several new companies set up and then disappear or offer sub-standard events so always check out their background and the customer feedback of their products.

A very quick way to check whether the company you are planning to book with are well-established, is to check on the [Companies House website](#) where you can search for the company by name. In the Overview section, you can then check when they were established, if they have any overdue accounts warnings or strike off actions against them, and also the termination of appointments.

3. Customer Trustpilot & Google Reviews

We pride ourselves on the excellent feedback we have received from previous clubs like yourselves and currently have over 250 five star Trustpilot reviews which can be found [here](#) and over 130 five star Google reviews [here](#). We feel these clubs are very reflective of your own group and consequently should help install confidence in the service you will receive from Burleigh Travel.

We would urge you to be very cautious of booking with anyone who does not have a similar amount of recent five-star reviews on these two key sites or if they do not even have a Trustpilot or Google review site registered.

Burleigh Travel are very proud of the tours we have provided for over 30 years. We have heard so many stories over the years of **team building, new friendships developing and life long memories being made**, well after you have all left University.
