Raising Money for Charity

Burleigh Travel are once again proud to partner with the Matt Hampson Foundation and help raise funds for this amazing charity.

The Matt Hampson Foundation provides advice, support, relief and treatment for anyone aged 16 or over suffering serious injury or disability which has primarily arisen from participation in or training for any sport or sporting activity.

The Foundation offers expert physiotherapy and specialised personal training from its state-of-the-art gym as well as wellbeing support and nutrition and health advice. In the aftermath of an incident which leads to a life-changing injury, most people and their families feel isolated with an overwhelming sense of loss for what has been taken away from them.

By becoming part of the community that Matt has created, beneficiaries are able to draw on the experience and knowledge of people who have been on the same journey. They develop the tools and skills they need to move on as they start to rebuild their lives. The Centre becomes a place where they can be part of a strong and active social scene as they retrain themselves to focus on what they can do – not what they can't.

Eventually beneficiaries progress to the point where they become the ones providing the support to others. This in itself is a huge part of their rehabilitation and being able to help others provides a real sense of purpose and identity.

Burleigh Travel are proud to be associated with such a valuable charity and for every person that travels with us to this event, a donation will be made.

Financial Protection

Burleigh Travel has always had consumer protection in place to make good any money paid to us in the event of the financial collapse or failure of an airline, hotel or any other provider. This pledge has been honoured since the foundation of Burleigh Travel in 1998 and no client has suffered financial loss from such a failure.

Total Payment Protection (topp) Policy cover:

For non-flight packages, in compliance with The Package Travel and Linked Travel Arrangements Regulations 2018, an insurance policy has been arranged with Travel & General Insurance Services Limited (T&G) to protect customers' prepayments in the unlikely event of our financial failure and paid in respect of non-flight packages sold by the Policyholder as principal to the contract.

Please be aware, this protection will not be available if you arrange your own tour or if you book through a company not offering this type of cover.

Key Booking Points

When considering who to book your tour with, always ask for evidence of the following key points

1. Financial Protection

Burleigh Travel has always had consumer protection in place to make good any money paid to us in the event of the financial collapse or failure of an airline, hotel or any other provider and this pledge has been honoured since the foundation of Burleigh Travel in 1998, and no client has suffered financial loss from such a failure. How this is done is clearly displayed on our website so it is very important that you can see a clear statement on any other operators website on how they are protecting your money.

2. How Long Has The Company Been Trading?

An important consideration when deciding on who to book with, is how established the company is. Burleigh Travel was established in 1998 and have therefore been arranging rugby tours for almost 30 years and as such we are one of the longest standing providers and market leaders for mini and junior rugby tours. Don't be fooled by new companies claiming they have many years experience in arranging tours; check when they were actually established, as every year there are several new companies set up and then disappear or offer sub-standard events so always check out their background and the customer feedback of their products.

A very quick way to check whether the company you are planning to book with are well-established, is to check on the [Companies House website](#) where you can search for the company by name. In the Overview section, you can then check when they were established, if they have any overdue accounts warnings or strike off actions against them, and also the termination of appointments.

3. Customer Trustpilot & Google Reviews

We pride ourselves on the excellent feedback we have received from previous clubs like yourselves and currently have over 250 five star Trustpilot reviews which can be found [here](#) and over 130 five star Google reviews [here](#). We feel these clubs are very reflective of your own group and consequently should help install confidence in the service you will receive from Burleigh Travel.

We would urge you to be very cautious of booking with anyone who does not have a similar amount of recent five-star reviews on these two key sites or if they do not even have a Trustpilot or Google review site registered.

4. RFU Approval

Last season all our UK Festivals were approved by the RFU and have been fully risk assessed, this is not the case with many other rugby festivals so please check with the county where the event is being held to see if permission was granted last season and if it's likely to be granted again before making a booking.

Creating Memories

Burleigh Travel are very proud of the tours we have provided for more than 30 years. We have heard so many stories over the years of **team building, new friendships developing** and **life long memories being made.**

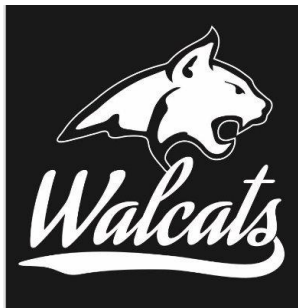

Many players, coaches and parents have missed out on the touring experience in recent times, but we hope you choose to join us at the Jurassic Coast Festival to **create these memories for your team!**

High Wycombe Baby Belles RFC Girls

Overall, we had a thoroughly enjoyable weekend! We enjoyed the accommodation, and our rugby hosts were really helpful and played at the correct level. They ensured everyone was involved and we were well looked after.

Walcat Girls RFC U14

The whole tour went really well, we thoroughly enjoyed PGL which was an excellent base for us and provided some great activities for the girls – fencing, archery, zipwire and climbing! The girls were also able to enjoy the onsite pool and an evening of karaoke, which was great!

The rugby was of a competitive standard, and a good level for us – we really enjoyed ourselves. All in all, a great tour and we are keen to do something next season, perhaps even including another age group or two as well!

Kesteven RFC Girls

We had a fantastic tour, everything went really well; lots of the girls hadn't toured before, but they really enjoyed it and are already keen to do it again! The accommodation was great, much better than some places we have stayed before, and we were really happy with the service from Burleigh Travel. The rugby was great, and plenty of rugby for all the girls.
