# Tour Summary

The 'Devon Big Bash' is one of our biggest festivals with teams enjoying a day of team building and fun activities followed by a rugby filled day at Ivybridge Rugby Club.

Following the success of this season where 10 girl's teams took part in the U12 & U14 categories, we are now pleased to also include an U16 category.

The 10 a-side festival is held over the popular first May Bank Holiday weekend and as such, is always very popular and with your hosts having a thriving girls section, you are sure to receive a warm welcome.

To enable us to cater for all types of touring parties, you will see we have included two types of accommodation options for you:

Firstly, we are pleased to offer you an adrenaline-based 3 day stay at the PGL Barton Hall Centre in Torquay. This will provide your group with a full activity programme, evening entertainment, a fully licensed bar and all your meals included in your stay.

Alternatively, we also offer a selection of 4-day Holiday Park options in units with self-catering facilities, an onsite restaurant and bar, and activities such as a large indoor heated pool, amusement arcade and live evening entertainment in the clubhouse.

Full details of both options are included in this proposal.

Your accommodation will mainly consist of modern 4 – 6 berth rooms together with a number of twin rooms, all of which have en-suite facilities.

# Activities

The activities will be lead by experienced instructors who know how to bring out the best in each individual, giving you confidence to relax in the knowledge that your players are in safe hands.

# Your Accommodation

As well as the caravans, Tencreek Holiday Park also has an area for camping, motorhomes and touring caravans. So, if you want to bring your own, you can!

This could be a great way to not only experience this fantastic weekend with access to all the amenities of the complex but also help keep the costs down for your members.

# A Day at the Beach

While Looe Harbour is one of the most picturesque fishing villages in Cornwall.

Boats provide fishing trips from the harbour, as well as pleasure cruises around Looe Island, the bay and river.

Looe Island, now owned by Cornwall Wildlife Trust and managed as a nature reserve, is just offshore. There are boats from Looe Harbour to the island most days throughout the tourist season.

We can also offer similar accommodation at South Bay Holiday Park in Brixham which again is surrounded by excellent local attractions.

# The Rugby

Your rugby will be hosted by Ivybridge Rugby Club where in addition to their Rugby 365 pitch, also has two grass pitches. On the day you will be joined by other touring teams as well as Ivybridge and other local clubs to make for an enjoyable and memorable experience.

# Key Booking Points

**When considering who to book your tour with, always ask for evidence of the following key points**

## **1. Financial Protection**

Burleigh Travel has always had consumer protection in place to make good any money paid to us in the event of the financial collapse or failure of an airline, hotel or any other provider and this pledge has been honoured since the foundation of Burleigh Travel in 1998 and no client has suffered financial loss from such a failure. How this is done is clearly displayed on our website so it is very important that you can see a clear statement on any other operators website on how they are protecting your money.

## **2. How Long Has The Company Been Trading?**

An important consideration when deciding on who to book with, is how established the company is. Burleigh Travel was established in 1998 and have therefore been arranging rugby tours for almost 30 years and as such we are one of the longest standing providers and market leaders for mini and junior rugby tours. Don't be fooled by new companies claiming they have many years experience in arranging tours; check when they were actually established, as every year there are several new companies set up and then disappear or offer sub-standard events so always check out their background and the customer feedback of their products.

A very quick way to check whether the company you are planning to book with are well-established, is to check on the [Companies House website](#) where you can search for the company by name. In the Overview section, you can then check when they were established, if they have any overdue accounts warnings or strike off actions against them, and also the termination of appointments.

## **3. Customer Trustpilot & Google Reviews**

We pride ourselves on the excellent feedback we have received from previous clubs like yourselves and currently have over 250 five star Trustpilot reviews which can be found [here](#) and over 130 five star Google reviews [here](#). We feel these clubs are very reflective of your own group and consequently should help install confidence in the service you will receive from Burleigh Travel.

**We would urge you to be very cautious of booking with anyone who does not have a similar amount of recent five-star reviews on these two key sites or if they do not even have a Trustpilot or Google review site registered.**

## **4. RFU Approval**

Last season all our UK Festivals were approved by the RFU and have been fully risk assessed, this is not the case with many other rugby festivals so please check with the county where the event is being held to see if permission was granted last season and if it's likely to be granted again before making a booking.

# Creating Memories

Burleigh Travel are very proud of the tours we have provided for more than 30 years. We have heard so many stories over the years of **team building, new friendships developing** and **life long memories being made.**

Many players, coaches and parents have missed out on the touring experience in recent times, but we hope you choose to join us at the Devon Big Bash to **create these memories for your team!**
